

WONDERLAND  
THE CHESSBOARD DESERT

We  
first observed  
Rishi Bolognari  
Hüter Makiata  
in Faldavon-

And knew immediately that something had happened in Wenhertak.

He was asking a child.

Wenhertak's lost princess.

He met a  
bold woman  
who informed  
him of an  
orchestra...

Controlled  
by a secret  
council named the  
Patasokratar.  
An enemy of  
Imagination.

We staged a  
memory download  
- and the contents  
of his mind were  
recreated.

We discovered  
a new Queen was  
on Wonderlark's  
throne...

And in  
control of the  
Heart  
Cylinder!

We  
rejected in the  
knowledge that  
Black Imagination  
would soon be  
flowing from  
Wonderlark.

In an effort to  
stop this Military  
man from reaching his  
objective we summoned  
the Tart Walkers... and  
equipped them with  
a stimulus...

But he  
fought back with  
Makos and Har and  
made his way to the  
orchestra run by the  
Patasokratar.

When he  
discovered the  
Patasokratar's  
Imagination  
draining  
operation-

**WHAT?!**

THAT  
IMAGINATION  
BELONGS  
TO  
ME!

ALL  
IMAGINATION  
BELONGS TO ME.  
IF THIS DRAINING IS  
POSSIBLE I WILL DRAIN  
EVERY LAST BIT OF  
IMAGINATION AND RETURN  
IT TO WONDERLAND.  
MY INVENTORS AND  
ALCHEMISTS WILL  
FIND A WAY...

... OR  
ELSE FACE THE  
CONSEQUENCES.

YOU TWO  
FIND TACKLE  
ON EARTH WITH  
DARK MORALITY  
AND GREED FOR  
MATERIAL GAIN.  
RECRUIT THEM  
TO ACT AS MY  
OPERATIVES.

We will  
be anything for  
the cause of Black  
Imagination- but  
what about the  
holyspirit?

HE'S LOST...  
ALL WHO LEAVE  
WONDERLAND AND  
TRAVEL BEYOND  
THE POOL OF  
TEARS ARE LOST.  
IF ANY COULD  
RETURN...

...THEY  
WOULD  
HAVE.

HATTER  
MADISON'S  
SEARCH IS  
MADNESS.  
THE PRINCESS  
IS LONG  
DEAD.
