Message  
for you Agent  
Alabaster!  
It's the White  
House!

What  
is it?

\*Translated From Morse Code:  
\*Priority one. Dead rebel.\*

We need to  
go to priority  
one!

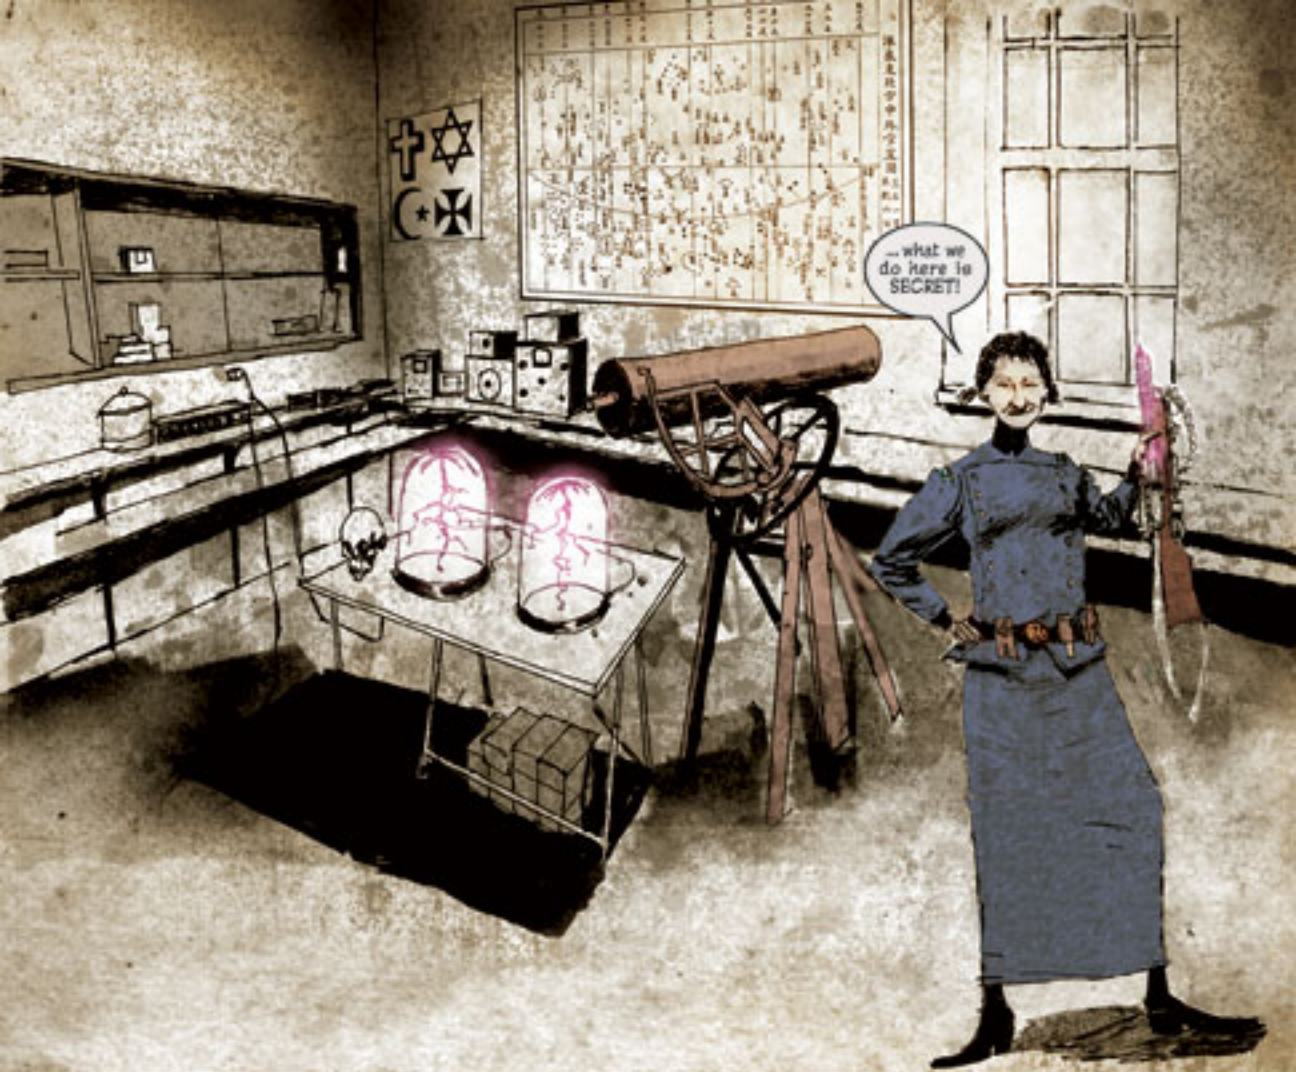

Oh, my  
god! Priority  
one calls for  
A-level security!  
Where's my  
ray rifle?

Take  
a break,  
Philo...

But Agent  
Alabaster...

This was the only one of the demons we got. Outnumbered them a hundred to one. I ain't never seen nothing like it.

Help me remove the body from the coffin.

Our first class. Rigor mortis has trapped an object in his hand.

Have your men sweep the area. If they find any more of these vials bring them to me IMMEDIATELY.

Yes, sir.
